

# Veteran's Wall Project

## Turning Our Veteran's Wall into a Historical Keepsake

***Susan Ella Bradley, a former volunteer and USO dancer, started our “Veteran’s Wall” when Elmwood Hall first opened in 2003.***

As many of you have noted, the articles and photos on our “Veteran’s Wall” are starting to get damaged. We have decided to take all of the photos, articles and memorabilia from the Veteran's Wall and respectfully arrange them into a keepsake through a scrapbooking project led by Karen Janell. We would love for you to be a part of making these scrapbooks. **The scrapbooking project will meet on the 2nd and 4th Monday at 1:00 pm beginning June 12 through the end of October.** Also, if you are a Veteran and would like to be included in the keepsake scrapbooks, Navy Veteran Jack Scully will meet with you by appointment to do a short interview of your military experience. Please bring a photo that we can copy from your time in the service. **The scrapbooks will be displayed in a cabinet and revealed for all to see on Thursday, November 9th when we do our annual “Honoring Our Veterans” event.** Those interested in being a part of this project, please call the center. And let us always remember to thank our Veterans for their service to our country.

**Please sign up at the front desk to be a part of the scrapbooking project.**
